HALAL COMMITTEE MEETING OUTCOME:

Dear Jeremy

We would like to thank your cooperation and collaboration during the audit and providing our auditors with all required information. The audit report generated by the auditor (Bashir Awad) was based on information and evidence gathered during the stage 1 and stage 2 audits, subsequently submitted to the Halal committee for further analysis as well as review. Please kindly be informed that the Halal committee has issued a decision based on the Halal requirements and the abovementioned standards that your company:

BFM GLOBAL has complied with the Halal requirements and therefore you have been recommended for the Halal certificate from **04/11/2020** for non-food Products: synthetic **Category K (Industrial Equipment)** only

This document is approved by HCS Halal Committee
